### Experience

- Web Developing**  
Pr.Mahdiar Jan 2020 - Nov 2024  
I am a web designer and developer specializing in HTML, CSS, JavaScript, and WordPress. I also have my personal website, Pmahdiar.com, where I showcase my work and skills in web design and development.
- Graphic Designer**  
Pr.Mahdiar Jan 2021 - Nov 2024  
I am a graphic designer specializing in creating logos, posters, and other visual assets. I work with clients to bring their brand ideas to life through creative and impactful designs. Whether it's a logo, poster, or any other design material, I ensure high-quality, professional results.
- Branding Design**  
Pr.Mahdiar.com Jun 2022 - Nov 2024  
I specialize in branding design, including logo creation, visual identity, and other elements to establish a strong brand presence.
